

“I will make you in to a GREAT NATION;
I will bless you and make your name great;
And you shall be a blessing.
I will bless those who bless you and I will curse those who curse you;
And in you all the families of the earth
will be blessed.”
Gen 12:2,3

Let the Nations Surround Israel! Sticker cross

It is important for the children to understand that God’s promise to Abraham applies to us today.

We must pray that our nation stands alongside Israel. We need to pray for our leaders, for the decisions they make and the words that they speak out concerning Israel. We can be blessed or cursed as a nation because of the decisions our leaders make and that effects all of us whether we are believers or not.

This cross will make a beautiful reminder that our prayers are able to surround Israel and bring spiritual protection to this nation.

It is easy to make these stickers by using the provided flags and printing them on mailing labels depending on the size of the cross that you want to make.

For the younger children, you make want to have them do the stickers one at a time with the teacher demonstrating. Children this age love stickers and their enthusiasm may eliminate the proper placement which would negate the purpose of the project.

Use cardstock paper for this project for durability. The children need to be encouraged to hang this cross on their refrigerator or an obvious place so that prayer will continue to go up long after this special prayer day.
